Program	Drexel University Discovering Architecture
Student Eligibility	Rising seniors (must be at least 16 years old)
Contact	215-895-2409 Email: architecture@drexel.edu
Cost	\$3,000
Dates	July 12 – 25
Deadline	Rolling Admission
Website	http://www.drexel.edu/undergrad/summer/
Program Description	For two intensive weeks, live on campus and experience what it's like to study architecture in college. You'll attend classes taught by Drexel faculty members in studios and computer labs used by Drexel architecture students. You'll go on field trips to significant architectural sites, hear lectures by distinguished speakers, and working closely with an instructor, you'll try your hand at architectural design. For more info: http://drexel.edu/westphal/about/summerHighschoolProgram/
Program	Drexel University Discovering Interior Design
Student Eligibility	Rising juniors and seniors
Contact	215-895-2409 Email: amt42@drexel.edu

Cost	\$3,000
Dates	July 7th – 20th
Deadline	Rolling Admission
Website	http://www.drexel.edu/undergrad/summer/
Program Description	Experience what it's like to study interior design in college, attend classes taught by Drexel faculty, hear lectures by distinguished speakers, and go on field trips
Program	Drexel University Exploring Design and Merchandise & Fashion
Student Eligibility	Rising seniors (must be at least 16 years old)
Contact	215-895-1834 Email: westphal.admissions@drexel.edu
Cost	\$3,000
Dates	July 12-25
Deadline	Rolling Admission
Website	http://www.drexel.edu/undergrad/summer/
Program Description	You will attend classes taught by Drexel faculty in studios and labs used by our very own students, where you will spend valuable time sketching and designing products, projects, and more. Field trips will give you an insider's look at top retailers, designer boutiques and yes, even upscale merchants to discover where fashion and merchandising meet. You will even get to create the beginnings of your own personal design portfolio that can play an important role in applying to college. For more info: http://drexel.edu/westphal/about/summerHighschoolProgram/
Program	Drexel University Music Industry Summer Program
Student Eligibility	Rising seniors (must be at least 16 years old)
Contact	215-895-1834 Email: westphal.admissions@drexel.edu
Cost	\$1,300
Dates	July 12-17
Deadline	Rolling Admission
Website	http://www.drexel.edu/undergrad/summer/
Program Description	Our summer program is designed to introduce you to the music industry as a whole—through a one week intensive workshop of audio technology and business. The courses offered are based upon the degree curriculum and are taught by our faculty of industry professionals. Through the classroom, hands-on studio experience in our recording lab facilities, performance opportunities, lectures, and guest speakers, you will gain valuable insight into, and practical knowledge of this dynamic field.
Program	Penn State University: Architecture and Landscape Architecture
Student Eligibility	Rising freshmen through just graduating seniors

Contact	John Farris - jlf30@outreach.psu.edu
Cost	\$995 before June 1, \$1035 after June 1
Dates	July 12-16 in State College, PA
Deadline	Registration opens early March, check website for deadline information
Website	http://www.outreach.psu.edu/architecture-camps/
Program Description	The Penn State summer camp offers students the opportunity to immerse themselves in the kinds of activities that take place in a university's professional design programs in architecture and landscape architecture. Faculty, alumni, and experienced undergraduate and graduate students will mentor the campers, who will use the facilities of the Penn State School of Architecture and Landscape Architecture. Sample agenda: http://www.outreach.psu.edu/architecture-camps/wp-content/uploads/2014/09/sample-schedule.pdf

Business Programs

Program	Drexel University Camp Business – A Competitive and Fun Introduction to Business
Student Eligibility	Rising juniors and seniors
Contact	Kyle Norton 215.571.3767 Email: kcn@28@drexel.edu
Cost	Commuter Program - \$650 Residential Program - \$1350 (Scholarship application is available)
Dates	Commuter Program – July 20 -30 Residential Program – July 13-17

Engineering Programs

Program	Temple University College of Engineering-Women’s Engineering Exploration (WE2)
Student Eligibility	Female high school students entering their sophomore, junior, or senior year; GPA 3.0 or higher
Contact	Ms. Vernell Ross 215.204.7808 Email: wengr@temple.edu

Cost	\$500. Full and partial scholarships available.
Dates	July 6 – July 10
Deadline	See website for details
Website	http://www.temple.edu/engineering/summer-programs/we2
Program Description	One-week residential summer program designed to foster interest in the engineering profession and to increase awareness of state of the art research in the field of Biomedical, Civil, Environmental, Electrical and Mechanical engineering. Hands on projects in robotics, bioengineering, environmental engineering, civil & mechanical engineering Field trip to NASA Interact with professional female engineers
Program	Temple University College of Engineering-Robotics Program
Student Eligibility	17 years old
Contact	Contact for application, Dr John J. Helferty 215.204.8089 Email: helferty@temple.edu
Cost	\$550 (Some financial assistance is possible based upon your request)
Dates	Early July to Early August
Deadline	Early to Mid-May
Website	http://engineering.temple.edu/summer-programs/robotics
Program Description	Learn how to build programmable mobile robots and compete with other high school students in the Delaware Valley and get a great introduction in Electrical and Computer Engineering. Topics to be covered are: <ol style="list-style-type: none"> 1. Electrical components: Resistance, capacitance and electromagnetic induction coil. 2. Electronic components and integrated circuits: Diodes, transistors, operational amplifiers and timer circuits. 3. Programmable microcontrollers, photoresistors, infrared sensors and transmitters. Sample Agenda: http://astro.temple.edu/~helferty/ee01_06/index .
Program	Drexel University Materials Science and Engineering
Program Description	Explore how things are built to work, in a program led by engineering faculty members.
Student Eligibility	Rising Juniors and Seniors

Contact	Brian Gorney - gorneybj@gmail.com
Cost	FREE
Dates	June 22-26
Deadline	April 10 (application must be mailed)
Website	http://www.materials.drexel.edu/materialscamp/
Program Description	This week-long commuter academic camp features highly interactive, lab-based, and hands-on activities to introduce students to materials science and engineering. Industry tours and a group project enhance the experience

Foreign Language Programs

Program	Millersville University Foreign Language Camps in French, German, and Spanish
Student Eligibility	15 years old and at least two years of the language
Contact	Christine Gaudry-Hudson (717) 872-3526 Email: forlang@millersville.edu
Cost	\$500
Dates	August 4th - August 10th, 2013
Deadline	May 31st, 2013
Website	http://www.millersville.edu/forlang/hscamps.php
Program Description	Participants are required to use the target language at all official camp functions and activities. Participants attend classes in language and culture in the mornings, where they learn grammar, have the opportunity to practice conversation and see films and videos.

Law Programs

Program	Drexel University Mock Trial Experience
Student Eligibility	Rising juniors and seniors
Contact	Michael Vitlip (Head Coach) - 215.895.1632 vitlip@drexel.edu
Cost	\$625
Dates	June 22-26
Deadline	June 1
Website	http://drexel.edu/undergrad/summer/#trial

Program Description	An intensive, five-day program to introduce high-ability students to mock trial and trial advocacy. Students will begin by learning the basics of trial procedure, courtroom decorum, the rules of evidence and objections. Students will then divide into teams and work on writing direct and cross examinations, as well as opening and closing remarks. Students will practice their roles throughout the week. The Mock Trial Experience will conclude with two trials on the final day. Parents are invited to witness the final trials. Students will also receive an overview of the college admissions and financial aid process, as well as Drexel's accelerated BS-JD program.
---------------------	---

Medical Programs

Program	University of Pennsylvania Nursing Summer Institute
Student Eligibility	Ages 16-18
Contact	(610)265-9401 Email: Julian@jkcp.com
Cost	\$7500
Dates	July 5 – August 1
Deadline	March 20 (Financial aid applications available)
Website	http://www.jkcp.com/program/penn-medicine-summer-program-for-high-school-students.php

Cost	Varies by program. Partial grants available.
Dates	Varies depending on program
Deadline	June 5, April 10 (Scholarship application due)
Website	www.barnard.edu/precollege
Program Description	The Barnard College Summer in New York City program offers young men and women a unique opportunity to sample college level courses at one of the nation's premiere colleges -- while exploring New York City both in and out of the classroom. With six distinct programs to choose from, ranging from entrepreneurship to dance, you have the unique opportunity to explore an area of interest on a deeper level through both in-class discussions and city exploration. As part of the learning experience at Barnard, you will get a taste of both college life and the Big Apple!
Program	John Hopkins University Summer University and Discover Hopkins Programs
Student Eligibility	Rising juniors, seniors, and college freshmen; must have at least a 3.0 GPA
Contact	(410) 516-4548 Email: summer@jhu.edu

Cost	\$6,300 – Scholarships available
Dates	Varies greatly by program: see website for details
Deadline	March 15th, 2013 for financial aid consideration, April 4th for Residential student
Website	http://www.jhu.edu/summer/precollege/index.html
Program Description	Johns Hopkins Summer University is your chance to put Hopkins’ undergraduate programs—and yourself—to the test before applying to college. Take undergraduate classes at one of America’s top-ranked universities, and get a taste of college life OR Discover Hopkins programs are theme-based credit courses designed to expose you to topics from different perspectives. Courses are offered for commuter and residential students in the following topic areas: archeology, cognitive science, environmental studies, health studies and politics.
Program	University of Delaware Summer College (The Edge)
Student Eligibility	Rising juniors and seniors
Contact	(302) 831-6560 Email: summercollege@udel.edu
Cost	\$6,500 , \$60 application fee (Financial Aid available)
Dates	Mid-July to mid-August
Deadline	May 1
Website	www.udel.edu/summer-college
Program Description	Students take courses for college credit, and enjoy the independence and excitement that can only be found at a top national university. Courses for Summer College, taught by University faculty, are designed to encourage students to expand their knowledge in new directions and to provide a supportive environment where learning is valued for its own sake.
Program	The University of Chicago Summer Session-- Insight
Student Eligibility	14 years or older, Entering Sophomore, Junior or Senior year of High School
Contact	summer@uchicago.edu
Cost	\$40 application fee (no waiver), \$6635 (Scholarships available to cover 50% of cost)
Dates	Sessions vary based on program chosen. See website for details.
Deadline	April 15 (Rolling Deadline after January)
Website	https://summer.uchicago.edu/high-school/insight
Program Description	Experience a discipline in-depth and hands-on in these intensive three-week courses, as you join experts in their fields in doing what they do. Every course takes advantage of the unique educational opportunities offered by the University and the city of Chicago, taking the material taught in undergraduate-level courses and adding an experiential piece not available in traditionally designed courses. All courses are taught at the undergraduate level.
Program	The University of Chicago Summer Session-- Research in the Biological Sciences (RIBS)

Student Eligibility	14 years and older, Rising Juniors or Seniors, excelled in a high school biology course
Contact	summer@uchicago.edu
Cost	\$10,464 (Scholarships available to cover 50% of cost)
Dates	June 20- July 17
Deadline	March 16
Website	https://summer.uchicago.edu/high-school/ribs
Program Description	This program exposes students to a broad range of molecular, microbiological, and cellular biological techniques currently used in research laboratories. Within the session, students will be immersed in the research experience, giving them a taste of life at the bench. Using a project-based approach, the course progresses from a survey of basic lab techniques to the application of current molecular techniques in developmental biology and microbiology. Most of a typical RIBS day is spent in lab. Lectures will provide background and introduce new concepts. Since communication skills are important in science, students will keep lab notebooks and they will make several group presentations. The course ends with a research forum in which the students present the results of their projects.
Program	The University of Chicago Summer Session -- Stones and Bones
Student Eligibility	14 years or older, Entering Sophomore, Junior or Senior year of High School
Contact	summer@uchicago.edu
Cost	\$10,557, Scholarships available to cover 50% of cost
Dates	June 22 – July 17 (in Wyoming from June 29- July 10)
Deadline	April 15 (Rolling deadline since January)
Website	https://summer.uchicago.edu/
Program Description	Students in this program must live on campus when not in Wyoming. In Wyoming, students will camp in tents at the excavation site. Join the Field Museum’s Distinguished Service Curator Lance Grande for a four-week intensive practicum in paleontology. Go into the field and behind the scenes at the Field Museum to learn how fossils are collected, analyzed, and conserved, as you work alongside museum scientists in the lab and in the field.
Program	The University of Chicago Summer Session -- Summer Quarter Undergraduate Course Offerings
Student Eligibility	14 years or older, Entering Sophomore, Junior or Senior year of High School
Contact	summer@uchicago.edu
Cost	\$3540/course, \$365 student life fee, board is \$590/week

	(Scholarships available to cover 50% of cost)
Dates	See website for details
Deadline	April 15
Website	https://summer.uchicago.edu/
Program Description	You will experience undergraduate life and coursework firsthand, participating alongside University college students and visiting undergraduates from other schools. You will have access to the same exceptional educational resources that are available to all students during the regular academic year.
Program	The University of Chicago Summer Session-- Traveling Academy
Student Eligibility	14 years or older, entering sophomore, junior or senior year of high school
Contact	summer@uchicago.edu
Cost	\$8340 for this one-course program (Scholarships available to cover 50% of cost)
Dates	June 22- July 11 (start in Athens)
Deadline	April 15
Website	https://summer.uchicago.edu/
Program Description	This unique interdisciplinary humanities course takes students to Greece where they have the extraordinary opportunity to study ancient Greek drama in its literary and social contexts and place of origin. A series of excursions both within and outside Athens supplement the core of the program on the island of Spetses and make the studies come alive as students examine the physical sites related to the works they read.
